Dear Ms. (b) (6):

In response to your letter of October 10, 1989, and at the request of Mr. Paul Racette of our Hazardous Waste Management Division, I am sending copies of sections of two Support Documents. These sections pertain to the Old Brine Sludge Landfill and the Pigeon Point Landfill sites in Delaware. Both sites were proposed for inclusion on the National Priorities List; however, EPA decided against finalization. The material from the Support Documents explains the Agency's reasons for not finalizing.

The material cites public comments that were received by the Agency. If you need copies of the comments or copies of the original scoresheets, please call me at 215/597-7904 or Mr. Racette at 215/597-1073.

Sincerely yours,

Diane M. McCreary
